

Match Your Voice to the Place

Point at the number instead of saying "too loud"

4

OUTSIDE VOICE

Playing outside, calling across a field

3

NORMAL TALKING

Conversation, answering in class

2

QUIET TALKING

At the table, group work in class

1

WHISPER

To one person standing next to you

0

SILENT

During davening, during a test

Tone matters too:

A flat tone sounds bored. A sharp tone sounds angry. When in doubt, slow down and soften.
