✗ NOT YET

- ✓ Ask him for help

✗ NOT YET

What the teacher says:

Is that person working? “No thank you.” Walk toward a shop.

If I Get Lost

Which one will be found?

✓ GOOD

- ✓ Stopped walking
- ✓ Stayed exactly where he was

- ✗ Further from where he started

What the teacher says:

Stop where you are. Stay still — we will find you.

Crossing the Street

The same four steps, every single time

1

STOP AT THE CURB

Both feet stop before the road

2

LOOK LEFT, RIGHT, LEFT

All three, in that order

3

LISTEN

Engines you cannot see yet

4

WALK — DO NOT RUN

Keep looking while you cross

Even when someone else goes:

You still do all four steps yourself.

A green light is not the same as an empty road.

If I Get Lost

Four steps. Do them in order.

1

STOP WALKING

Right where you are, straight away

2

STAY THERE

We are already looking for you

3

FIND SOMEONE WORKING

Shop worker, guard, police officer

4

SHOW MY CARD

You do not have to explain

Before every trip:

We agree a meeting place and point it out when we arrive.
Everyone checks they have their contact card.

Street and Travel Safety — Every Phrase

For staff. Same words, every time, from everyone.

CROSSING

“Stop at the curb.”

“Listen.”

“Look left, right, left.”

“Walk, don’t run.”

WALKING TOGETHER

“Stay with the group.”

“Stop at the corner.”

“Inside, away from the road.”

“Tell me first.”

IF LOST

“Stop where you are.”

“Find someone working.”

“Stay still — we will find you.”

“Show your card.”

SAFE HELPERS

“Is that person working?”

“Walk toward a shop.”

“No thank you.”

BEFORE WE GO

“Where is your card?”

“Say your full name.”

“Show me before we go.”

Short. Consistent. Repeated daily.

Do not explain more than this. The repetition is what teaches it.
