

Three Clues

Read the room before you act

1

How loud is this place?

Quiet place, talking place, or loud place?
Match your voice to the room.

2

What are people doing with their bodies?

Sitting still? Moving around? Working? Eating?
Do what everybody else is doing.

3

What is happening here?

Work time, break time, waiting time, or a serious time?
Then decide what fits.

Stop at the door. Look. Then walk in.
