

When I Am Finished

The same three steps at the end of every meal

1

WIPE MY MOUTH

Napkin to the mouth, then back down

2

CLEAN MY HANDS

Napkin first, then wash if they are sticky

3

WIPE MY TABLE

Cloth or paper towel over my whole space

What the teacher says:

"Use your napkin." "Wipe your mouth."
"Clean the table." "All done — clean up."
